There is an infraction---but it was sent back to the Reviewer (Lt. McKeown) on 4/27. exchanged emails on 4/30 and he said he would look for it in the shift office and his mailbox.....but I haven't received it back as of yet.

As soon as I do--I'll get it plugged in and scheduled.

Sorry-I couldn't be of more help--but will send this on to the LT also--and maybe he has more information.
